

Sterile Clean Room Gown

Chemo Tested, stand up collar with velcro closure

TrueCare offers two different types of disposable sterile cleanroom gowns. Our sterile SMS 40 gram weight white, anti-static treated cleanroom gown has a stand-up collar with a Velcro closure in the back and elastic wrist cuffs. These gowns are individually packaged and come 50 to a carton. Our sizes consist of small, medium and large. Our Sterile Chemo Compounding Gowns feature Barrier Max, ISO-certified breathable fabric. The gowns are impervious, low linting and Latex-free. Our gowns offer superior protection and comfort in the safe handling of hazardous, chemotherapy and other cytotoxic drugs. These gowns are individually packaged and come 50 to a carton. Our sizes consist of small, medium and large.
